Forty Years o

In 1928 Mr. George Baltus became the School Accountant for Shorewood High. Since then he has continued in the business department, taking on such responsibilities as Copperdome advisor, bookstore manager, Director of Athletics, Commissioner of the Suburban League, and finally Business Manager. Because his job affords little direct contact with students, we don't often get a chance to see his smile behind the desk in the Business Office. But we can see the results of his work all around us. His enthusiasm and untiring energy have contributed greatly to the growth of athletics in Shorewood and the entire Suburban League. And it is his efficiency which keeps the wheels of our school running smoothly. For his seemingly effortless skill in dealing with the business at hand, Shorewood is indebted to Mr. George Baltus.

Dedicated Service

To a future artist,
You should stay in

hope that you will be

next year. Have fun

Angie the great

a future to envision

In Appreciation

During his forty years at Shorewood High School, Mr. Harold Stolz has gone from teaching Junior High mathematics to helping mold the futures of hundreds of young men. Most of his career has involved teaching English, math, science, biology, and chemistry courses. But since 1956, when he became Dean of Boys, Mr. Stolz has concentrated on the administrative aspect of school. Today he is the Coordinator of Guidance Services and boys' counselor for grades 7-8, 11-12. For his sincerity and thoughtfulness in guiding young minds, Shorewood would like to thank Mr. Harold Stolz. Our hope is that the memories of his years at Shorewood are as bright as the futures he has helped to shape.

The Shorewood Choir expanded its interests to make this year a big success. Included among the varied activities were travels to other schools and the annual Christmas Program.

The Madrigals, a more advanced group within the choir, displayed versatility on such instruments as the guitar and flute. This group helped to display interesting and entertaining programs this year.

MADRIGALS PROVE to have more talents than one.

Orchestra Shows Its Quality Not Quantity

This year's orchestra proved to be a great success. At least five out of the thirty members belong to the Music for Youth Orchestra of Milwaukee.

The Messiah was once again performed at the Christmas program lending a sentimental air to the holiday season.

Pieces for the orchestra assembly included the famous "Largo" and the "Battle Hymn of the Republic."

What the orchestra lacked this year in quantity was made up in quality.

THE DIRECTOR'S score lends itself to a musical atmosphere.

Performing in the Annual Winter Music Festival for the first time, the band took on new challenges in the way of musical precision and tone. Under the new direction of Mr. Leroy Augustine, the band's activities ranged from Band Day in Madison and an all-school assembly, to marching at football games and playing at basketball games to add spirit.

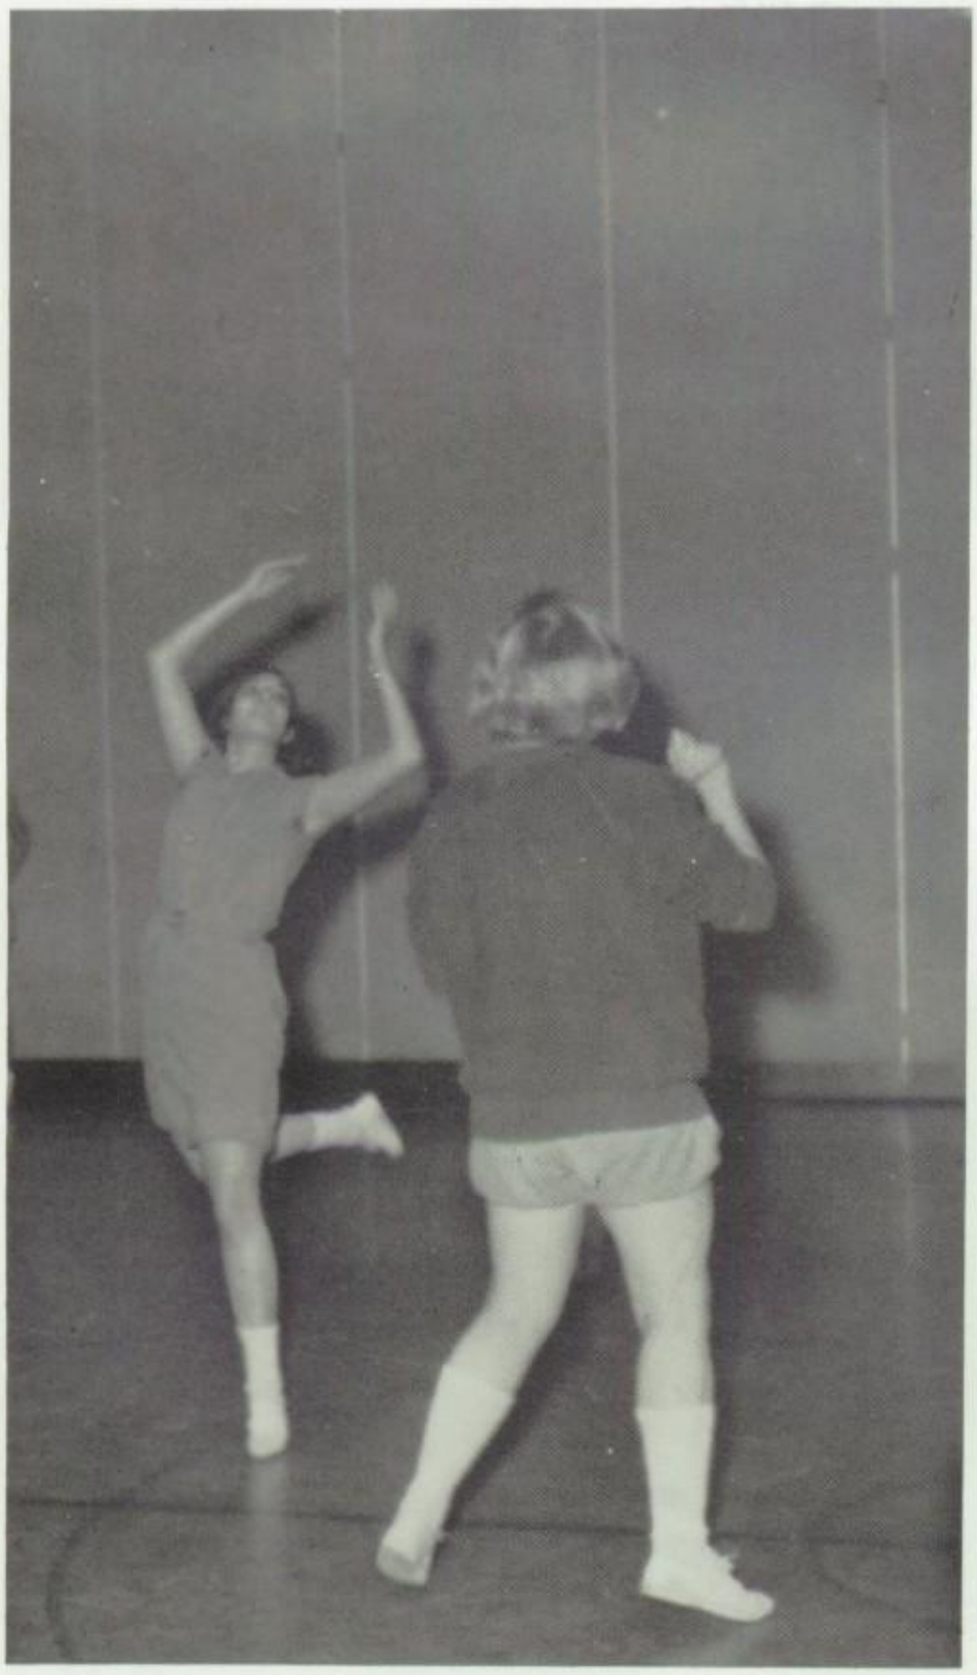
Grace and Beauty Through Dance

TERRI BERKE shows a new routine to members of Advanced Dance Club.

Under a new advisor, Miss Tania Sovitsky, Dance Club was headed this year by Ann Arends, assisted by Liz Germanotta, vice-president, Kath McCreadie, secretary, and Jana Parlow, treasurer. In addition to the regular weekly meetings, numerous guest teachers were invited in to lead the girls. Most of their time was spent working towards the spring assembly and concert in which regular, Advanced, and Junior High Dance Clubs take part as an end to a year of hard work.

DANCE CLUB officers are FROM LEFT: Kath McCreadie, Jana Parlow, Liz Germanotta, and Ann Arends (front).

G.A.A. Challenges Other Schools



Leader's Club was functional in introducing new programs into the Girls Athletic Association. Programs included inter-school games and field days with such schools as Whitefish Bay, New Berlin, and West Allis Hale. The Leader's Club also challenged the boy's volleyball team to an exciting match.

Members of G.A.A. participated in such sports as tennis, volleyball, bowling, and basketball, having a surprisingly large turnout.

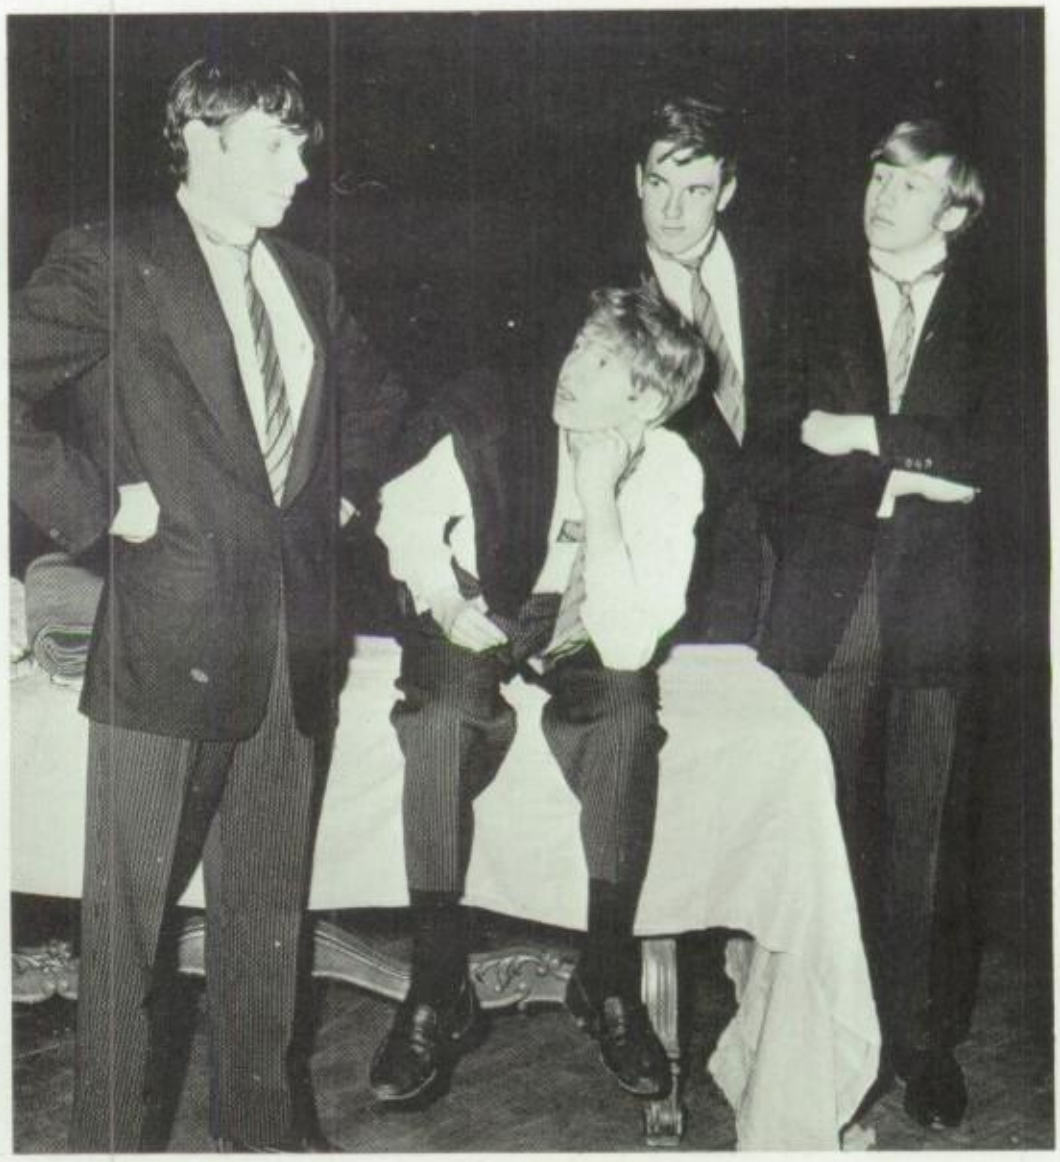
Audience Profits From "Half a Sixpence'

THE CAST of "Half a Sixpence" is together in a group scene.

The Spring Musical, "Half a Sixpence," concerned a small-town clerk named Kipps (Gisli Bjorgvinsson) and his rise to high society. The plot made for many sad and happy times surrounding Kipps and his girl frienas (Sue Peterson and Mindy Morton) of low and high society.

The cast was fortunate in having Dick Kallman, the star of the Broadway play, come to advise them during one of their rehearsals. Much fun and entertainment was afforded to the dancers and audience in the performance of such musical numbers as "Flash, Bang, Wallop," "Money to Burn," "If the Rain's Got to Fall," "The Party's on the House," and "Half a Sixpence."



ABOVE: KIPPS DISCUSSES problems with his associates.

LEFT: "HOW SWEET it is."

"The Lark" and "Teahouse"

JOAN OF Arc was portrayed by Lisa Klumb in "The Lark."

"The Lark," the story of the life of Joan of Arc, was presented as the Drama Club's fall production. The plot centered around a young girl who believed that she was the only one who could save her country. A dramatic and serious mood characterized the play.

Shorewood's first all school play was "Teahouse of the August Moon." It is the story of American occupation of Okinawa during World War II. New found talent offered humor and a lighthearted air to the comic plot.

RICHARD WESTPHAL and Mary Gerber played characters from Okinawa in "Teahouse of the August Moon."

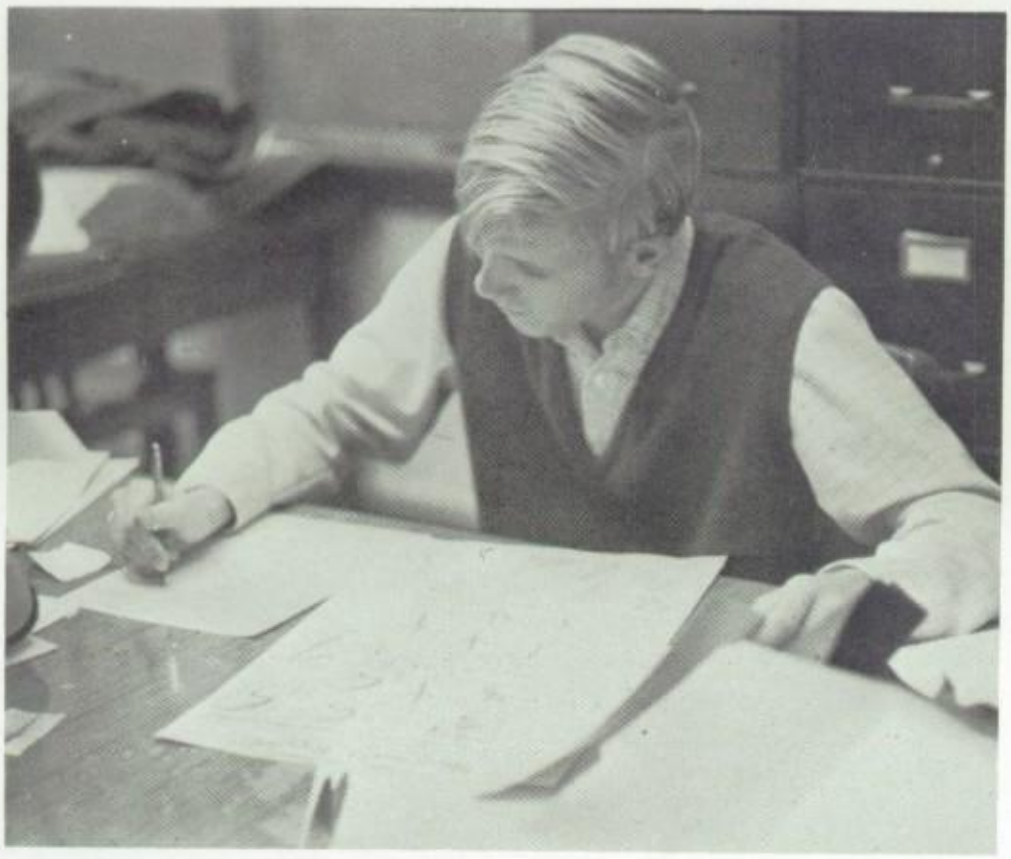
Staff Makes Waves

CURT WORKS overtime to finish the last page.



Editor-In-Chief Curt Gorrell headed this year's Ripples staff under advisor Don Gietzen. The staff was comprised of seniors who were selected at the beginning of their junior year. Throughout that year they underwent journalism training, and in May published two issues on their own. This valuable training helped to prepare them for the task ahead.

Throughout this year they have followed the tradition set by previous Ripples staffs in maintaining a publication of high quality. All in all, the Ripples has continued to be an informative, stimulating newspaper.

MEMBERS OF the Ripples staff spent many hours in school and out of school at the printer's preparing the paper for publication.

Parade, Dinks, and Queen Make

Homecoming at Shorewood was characterized by the many events leading up to the big weekend. Spirit Days, the Homecoming assembly, dinks for the seniors, and of course the annual parade began the festivities well. This year a new touch was added to Homecoming. Shorewood had its first Homecoming Queen who, along with her court, was crowned at the pep rally and reigned over the game Friday night. Saturday night the dance, sponsored by the cheerleaders and appropriately called the Homecome-In, ended an eventful weekend.

Adjust to High School Life

THE JUNIOR High Orchestra practices, and members gain experience for future years.

The Junior High program has been expanded in recent years to include such activities as Pep Club, Dance Club, a newspaper, and an improved music program of Choir, Band, and Orchestra. These, supplemented by the well rounded curriculum, should help to make the seventh and eighth graders worthwhile citizens of Shorewood High School.

New this year in the English department was a one-semester speech class designed to better prepare the student for public speaking. Classics, such as Hamlet, Macbeth, and Julius Caesar were studied at various grade levels. Also, a new approach to the study of our language was attempted through use of the phonetic alphabet.

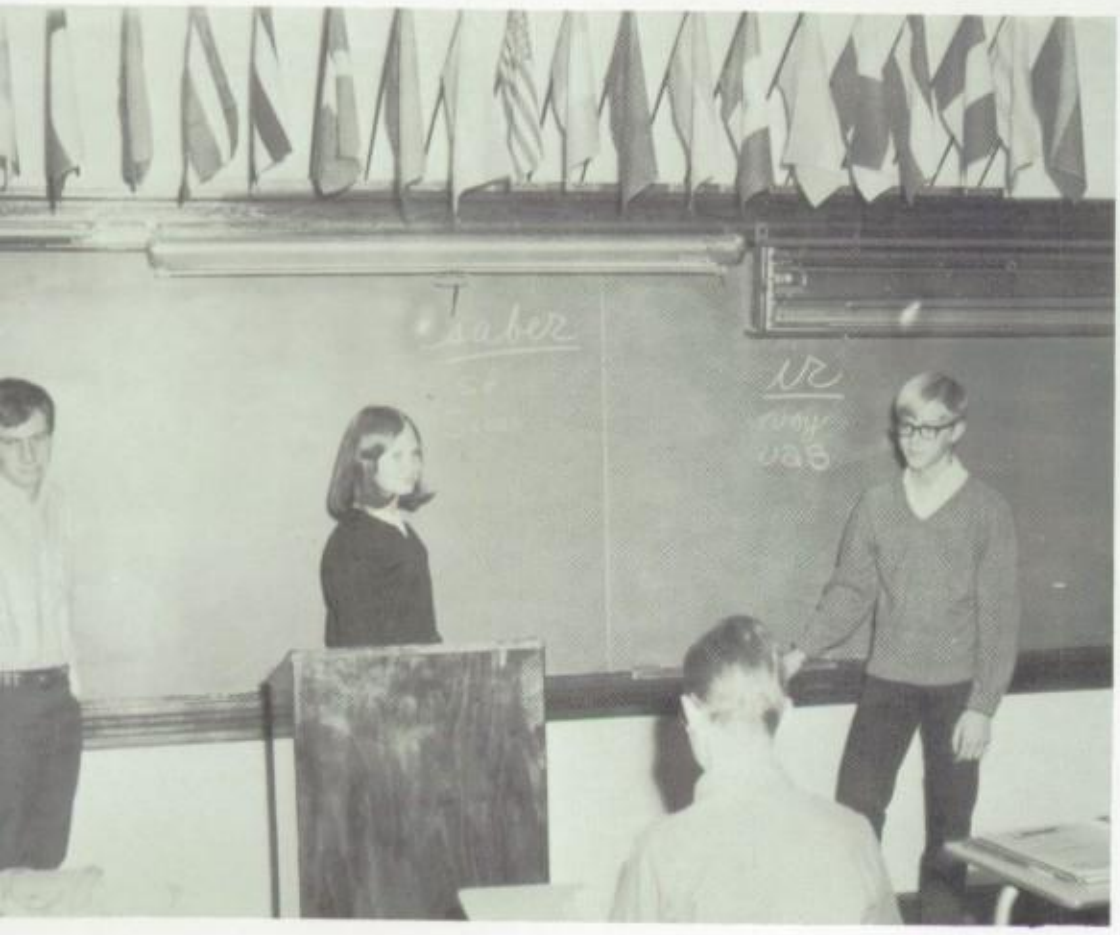
LANGUAGE TEACHERS spark new enthusiasm in students through use of lab facilities.

Foreign Language Plus Deeper Cultural Insight



The foreign language courses offered at Shorewood — Latin, Spanish, German, and French — are more than a study of irregular verbs. Along with grammar, the customs and cultures of these countries are taught, providing a better understanding of all mankind.

MISS SCHOEN'S Spanish classes conjugate verbs as part of their daily routine.

FRENCH CAN be interesting. After all — it is a Romance language.

A new course this year, Comparative Political Economics taught by Ottis Swiger, was an important innovation in the Social Studies program. The election year made the Social Studies classes of topical interest to students and they were enhanced by frequent guest speakers. Highlights in the Economics classes were field trips to Chicago and a deeper insight into the stock market system.

A New Look

In September, Mr. Biddick and his students were disappointed to find the lab not completed. They worked under crowded conditions, hoping for its completion.

Their patience was rewarded. For in November they moved into the new lab. Each student received his own supplies at a table designed for a group of four.

Biology received several microscopes, and 7th and 8th graders examined frogs.

THIS IS a math class? Then why is everyone smiling?

The Math department gained new depth with the addition of three math teachers. Several teachers made extensive use of the overhead projector to give math more meaning. Algebra, geometry, intermediate and advanced math were offered to aid students in science courses and for the future.

NOW THIS is more like a math class, very studious.

Hounds Retain Glory Cup

Although this Greyhound season was not one that produced a winning record, the Red and Grey managed a 3-4-1 conference record, good for 5th place in the Suburban Conference.

Opening the season, the Hounds travelled to West Allis Hale, returning with a 19-19 tie. The following weekend, the Red and Grey barely squeezed out a victory over Cudahy, 19-16, at Shorewood to set up its next tilt against league-leading Waukesha the following week.

Starting out fast, the Hounds jumped to a 7-0 lead but Waukesha came back quickly with two touchdowns. In the last period Shorewood scored to tie the game at 14-14. With little time remaining Shorewood gambled to go for the win. Santilli's long pass was intercepted and the Blackshirts turned this break into a score, winning the game 21-14.

The next weekend was one of the bright spots of the season. The Hounds again won the Glory Cup by sweeping past Bay 16-7.

A disappointing homecoming followed, with a strong South Milwaukee team overwhelming the Hounds 21-0. Their hopes up against Tosa West, a team with a mediocre record, the Red and Grey was upset 27-7.

Parents Night on Erickson Field, the Greyhounds clashed with West Milwaukee. Impressively, Shorewood rolled to a 28-19 victory. Senior Glenn Bacher, hampered by injuries most of the season, stacked up over a hundred yards on the ground, and scored two touchdowns to lead Shorewood to victory.

In the final tilt of the year Shorewood lost to West Allis Central 13-9.

Coach Richard Geske can be proud of several individuals who played brilliantly throughout the season. Senior Joe Pellegrino was voted All-Suburban Offensive Guard, and Senior Jeff Mayville, the Greyhound kicker, displayed fine talent all year.

Finishing the year with a 1-4 record Coach Ferrara's B team gained only one victory. The 20-13 win came against Wauwatosa West.

Cagers Cream Bay 3 Times

Head coach Tom Rebholz's 1968-69 varsity basketball team finished with an 8-10 conference mark and beat Whitefish Bay for their third time in regionals 66-54.

The Hounds lost their first three games, including a 53-49 decision to South Milwaukee's Rockets on the conference champion's home court, but won their next four games.

Four lettermen returned from the 1967-68 undefeated squad but a lack of experience hurt.

Scoring is one thing that wasn't lacking as the Bucketmen finished second in the league in total offense. Vic Brust, an All Suburban choice last year as a junior, repeated again this year. Vic was the second leading scorer in the conference. Forwards Kevin Gage and Scott Johnson led the team in rebounding as well as consistently helping out in the scoring column. Joining Vic, Kevin, and Scott on the starting quintet were Steve Schmidt, who came around in the second half of the season, and George Brust, a sophomore who shows much promise for the future.

George Bust, Dallas Lillich, Tom Wargowsky, and Bob Cohen all will return from this year's squad.

The grapplers placed second in the Suburban Conference. Coached by Wally Schneider, the team compiled a dual meet record of 8-1, losing only to conference champ South Milwaukee, 24-22.

The varsity wrestlers travelled to South Milwaukee for the conference meet. Individual championships were taken by sophomore Bob Lagerman, at 95 lbs., junior Bob Megna at 120 lbs., and senior co-captain Dave Hankin at 127 lbs. Senior Glenn Bacher took a second in the heavyweight division, while sophomore Jack Albright, junior Bob Barkin, and seniors Joe Pelligrino, Dick Megna, and Steve Wiest also placed.

Qualification for the state tournament in Madison began with the regionals at Whitefish Bay. Albright, Lagerman, Hankin, and the Megna brothers placed either first or second and were eligible for sectional competition. At Brown Deer Lagerman and Hankin survived the test, and qualified for the state tournament.

Hankin finished the season with a 22-2 record, while Lagerman posted a 23-2 mark. Other outstanding records were 20-4-1 by Bob Megna and 15-4-1 by Joe Pellegrino.

THE AGONY and thrill of victory for Mr. Ferrara at Small School.

Swimmers Win Small School

Led by senior co-captains Dan Lowry and Steve Gilbert, Shorewood qualified two individuals and one relay team to participate at the state meet. This is the most representation Shorewood has had since 1965. The qualifiers were Will Heller, Scott Kramer, Dan Lowry, and Steve Gilbert in the 400 free relay, Dan Lowry in the 50 free and Steve Gilbert in the 100 fly.

Regaining the Small School State Invitational Meet was the high point of the regular season. Shorewood far outdistanced its nearest competitor, Delavan-Darien, by 28 points. First places were earned by Dan Lowry in the 50 and 100 free, Steve Gilbert in the 200 indy and 100 fly, Steve Beckwith in diving, and Will Heller, Scott Kramer, John Schaus, and Tom Pick in the 400 free relay.

Special recognition should be given to senior Steve Gilbert, who has re-written the Shorewood record book. He holds or shares the record in the 200 free, 200 indy, 100 free, 100 fly, 400 free, and 400 free relay. Because Steve has placed in the State meet since his sophomore year he has put Shorewood among the top 20 teams in state for the last two years. School records were broken in the 50 free by Dan Lowry with a time of 23.6 seconds and the 400 free relay composed of Will Heller, Scott Kramer, Dan Lowry, and Steve Gilbert with a time of 3:39.6.

This year marks the last year Mr. Joseph Ferrara will coach swimming. He has devoted 8 years from 1961-1969 to coaching. Even though he took Shorewood to the state every year of his term as coach and consistently developed fine teams and great swimmers, this is not his most important contribution. Through the sport of swimming Joe has taught discipline, the importance of religion, honesty, and many other intangibles that his swimmers won't appreciate until later life.

Next year's team will be led by Mr. Piaskoski, a capable replacement. His team will be in the process of rebuilding after losing 7 starting seniors. Returning lettermen John Schaus, Steve Beckwith, Phil Gross, Art O'Leary, John Nelson, Rick Greenthal, Phil Mayer, and Tom Pick should provide a good nucleus to work with.

FRONT ROW: Paul Atwell, Mark Weckesser, Alan Blanke, John Reeves, Rick Greenthal, Steve Aker. Spikers Develop Team Effort

Coach Colosimo's volleyball team finished with a 4-20 record in the Suburban Conference. The best effort of the season was downing West Milwaukee in three straight games.

The following boys started some time during the season: Ken Howell, Frank Sherkow, Kevin Gage, Greg Olson, Ed Vartanian, Jim Kahn, and Tom Burke.

Other important contributors were John Hackenberg, Alan Bardin, Mike Ashburn, and Randy Leshin.

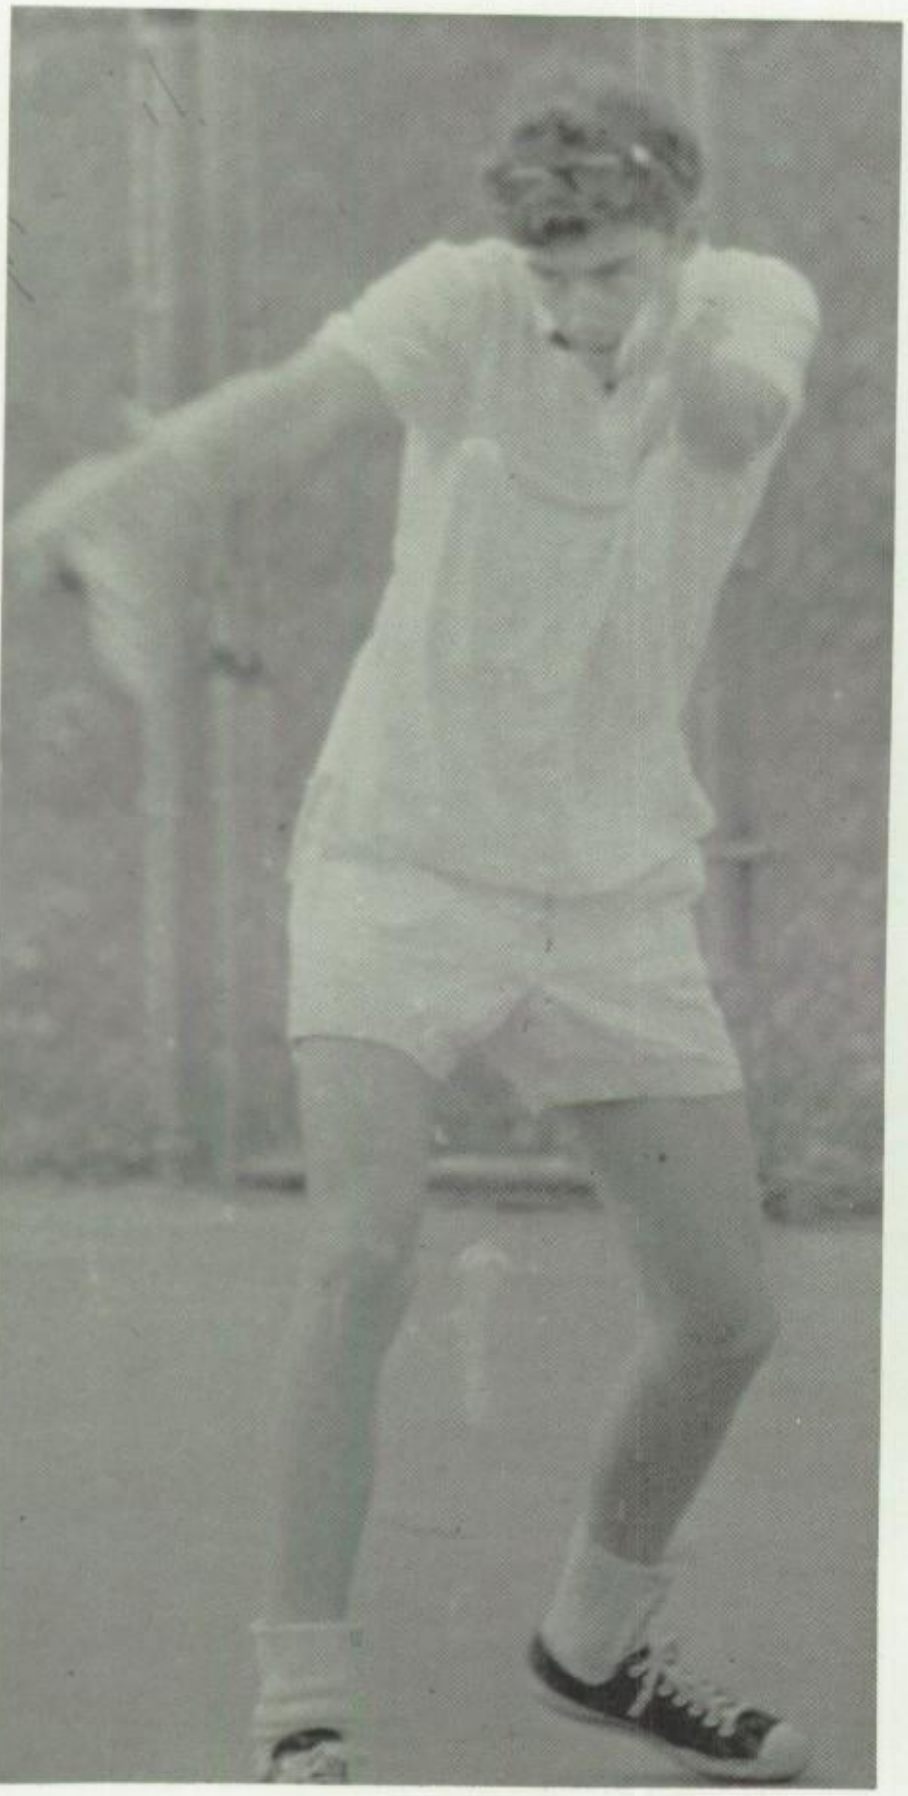
Travelling to Philadelphia to compete in a meet was the highlight of the season for the girl's rowing team. At Philadelphia the team participated in the eight man, light and heavy fours, and double boat competitions. The other meet they participated in was at Minneapolis, where they placed fourth.

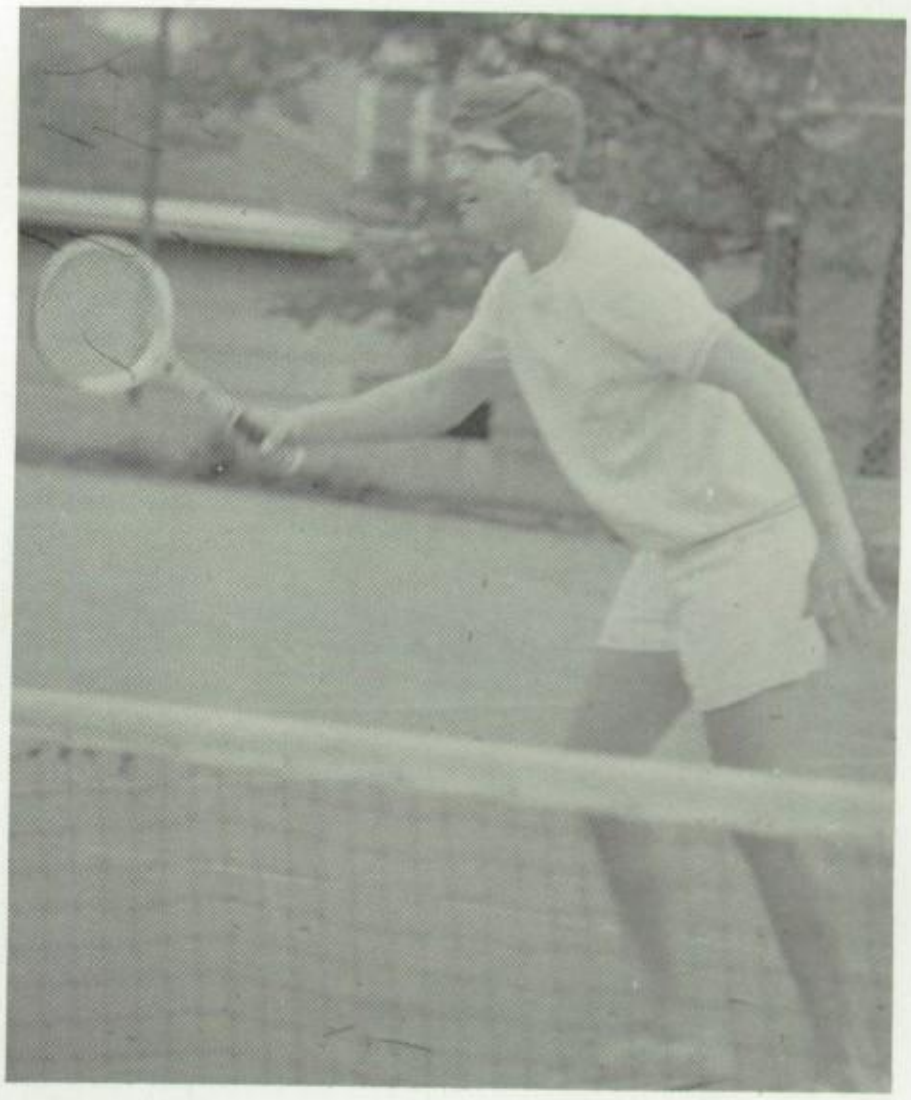
THE GIRLS make ready for a tough workout.

Talent Returns to Tennis Team

With a third new coach in as many years, Mr. Piaskowski tried to develop his players into real contenders in the Suburban Conference. One asset he had aiding him was experience. Kevin Gage, Greg Olsen, Alan Melrood, Scott Kramer, Mike Peeples, and Tom Wolfe were all returning letter winners. With at least one year of varsity competition already under their belts these boys helped the team during the season.



GREG OLSEN, Scott Kramer, and Mike Peeples slam the ball back!



Golfers Hit the Dirt

MIKE ASHBURN tries to perfect his stroke as Jeff Bartel looks on.

Returning lettermen Jim Kahn and Fuz Garber led the golf team. Five varsity golfers participated in 10 dual meets and 3 tournaments.

Mr. Korneisel, who was in his second year of coaching, had a turnout of between 15-20 boys competing for a total of 9 berths on the varsity and B squads. To give his golfers added competition, Mr. Korneisel allowed Vicki Zimmermann, an excellent female golfer, to practice with his team.

FRONT ROW: Eyvind Jorgensen, Jeff Bartel, Jim Kahn, Fuz Garber, Alan Blanke, Scott Johnson, Ken Hicks.

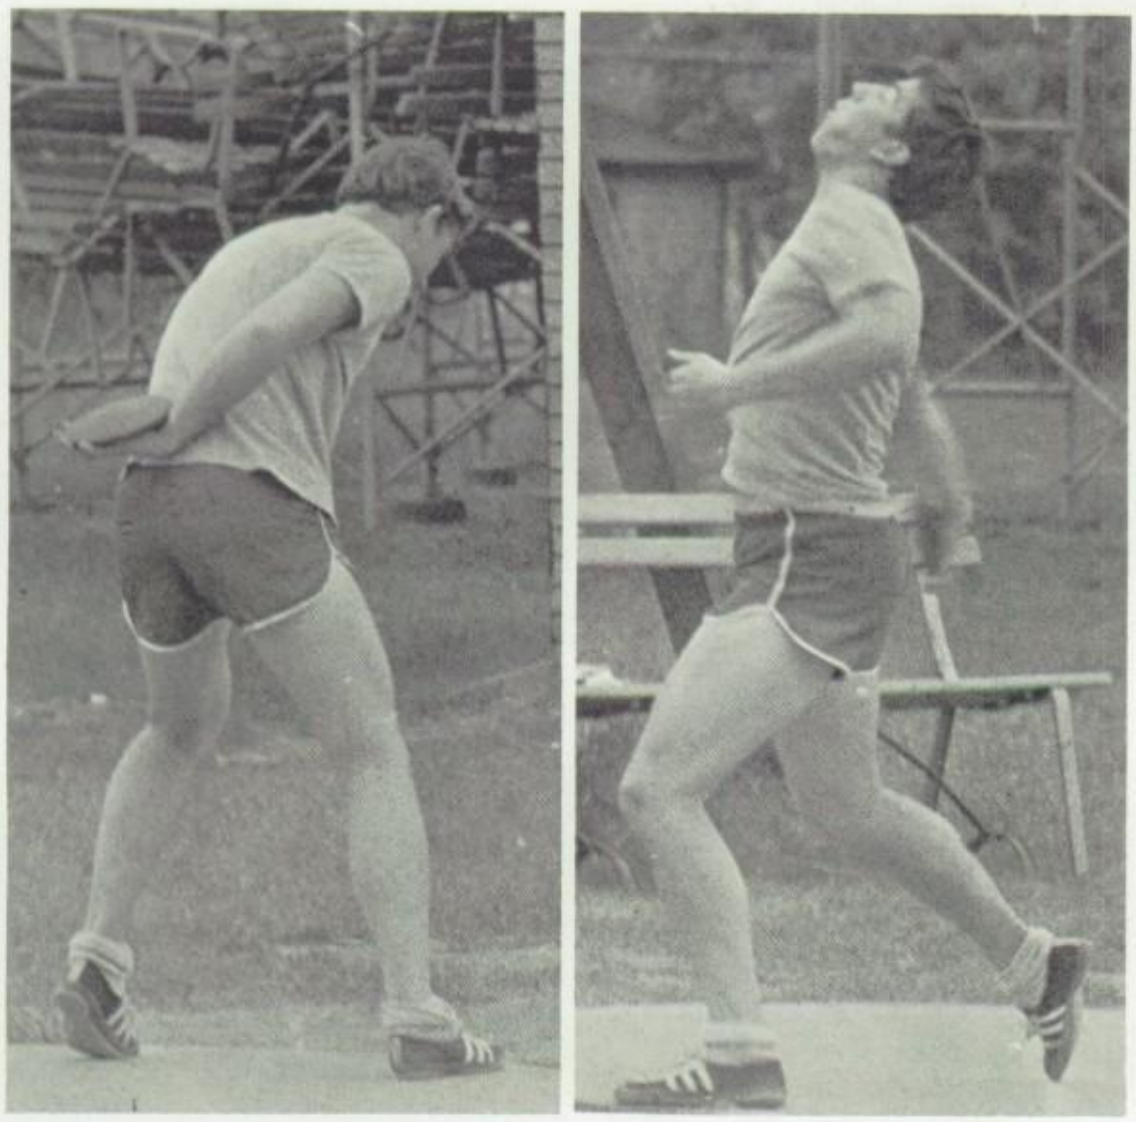
BACK ROW: Al Everitt, Dean Segal, Ed Brauer, Dan Harkness, John Hackenberg, Dave Scott, Bob Hackenberg, Curt Gorrell, Christopher Whittet.

ASHLEY ANDERSON gives it everything he's got.

Track Team on



STEVE SCHMIDT hurls the discus.

Mr. Knop's team, aided by assistant coaches Rebholz, Geske, and Quist, participated in one dual meet with Cudahy, Shorewood Relays, Suburban Indoor and Outdoor, Hale Invitational, Wangerin Invitational, and State Competition.

Steve Schmidt, Bob Cohen, Ashley Anderson, Daryl Santilli, Steve Coddington, Steve Beckwith, Dallas Lillich, and Dan Lowry, all returning lettermen, consistently placed in the big meets.

Because of a fine turnout of freshman and sophomore athletes, prospects for next year look good.

DAVE SCHAUS stretches into the lead.
